"The Flasher"

NEW

"On"

Our edgelit convex programmed flashing safety border will demand attention for approaching traffic.

"Off"

12 volt power supply included.

- Avoid collisions using convex mirrors at strategic points.
- Use largest diameter possible for greatest vision distance.
- Roundangles offer larger view with low ceiling heights.
- "Flasher" warns drivers of hazardous areas.
- Mirrors are equally important in garage stairwells and elevators.
